A pink and white color scheme was carried out in all details of the entertainment.

Progressive hearts was played. Embroidered handkerchiefs were presented the honoree, also Miss Charlie McGehee, who made the highest score.

A wish register for the bride was kept. The shower of miscellaneous gifts was a pleasing feature. These were presented the bride in a huge white satin slipper.

An elegant party menu featuring the pink and white motif, and emphasizing the bridal note was served from a prettily decorated table, having for a center piece a large flower heart of pink and white carnations. A shower of wedding bells was suspended from the chandelier, from which filmy pink tulle radiated to French baskets of pink and white carnations, that added further adornment to the table.

### IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to very eczema, that nothing has ever been found to take its place.

Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Mentho-Sulphur at any drug store.

## BRADY'S NEURATONE NUMBER SEVEN

Is Indicated As Follows

In all kinds of stomach and bowel troubles, non-assimilation, malnutrition, gastritis, intestinal irritation and seeming appendicitis, which in most cases is nothing more than stomach ache in varying degrees of intensity so says the state board of the most eminent physicians of Portland, Ore. Neuratone No. 7, has been thoroughly demonstrated in 75 cases with the best of results. Not one dissatisfied customer.

I submit you to two cases testifying the good they have derived from this wonderful medicine:

Mr. W. S. Foy, attorney of Mayfield, Ky., says: "I was affected in the way described in the worst form. I was being treated by four physicians who gave up my case and said they could do me no good, that I must die. I was perfectly despondent. I got six ounces of Neuratone No. 7, took it and in three weeks I was entirely well."

Mr. Earnest Cabe of Vernon, Tex., writes: "My wife has been affected in the way described, the worst form of stomach and bowel trouble for two years. She had tried everything that the doctors could prescribe, and all kinds of patents with no avail. At last I found Neuratone No. 7. She has taken three bottles and now she is most entirely well. I think it is the most wonderful remedy I have ever seen for the trouble it is recommended for."

For flux and dysentery it has no equal.

## PRE-INVENTORY SALE Begins Today and Lasts One Week at KIRK DRUG CO.

This store is now preparing for its annual inventory; goods are being arranged on the shelves and counters, and everything gotten to the front for the big inventory. We had much rather count money than count goods, and finding from this working out of stock that we have too big a stock of many articles, it has been decided to reduce same by marking the prices down to the very minimum—not a cut-price sale, a clearing out sale of cheap goods, but of genuine, real good, nationally advertised and thoroughly known products. Here are a few of the items in the immense stock, that will be offered—no selection of "slow-moving" goods, but everything in each classification is on sale at remarkably low prices.
